Name:

Date:

Class:

Catechist:

As preparation to receive the sacrament of Confirmation, you are asked to make a commitment of 15 hours of community service. Think about the ways in which your talents and abilities can help others by focusing on the corporal works of mercy, or practices of charity toward your neighbor: feeding the hungry, giving drink to the thirsty, clothing the naked, sheltering the homeless, visiting the sick, visiting the imprisoned and burying the dead. There are many ways in which you can help others ... pray to the Holy Spirit and talk to your parents and sponsor for guidance and research the real needs in your family, neighborhood, parish, school or community to determine how you can best be a missionary and through your actions come to know Christ. You can volunteer at one organization or a variety of organizations ... that is your choice.
