Our Confirmation Journey Continues

Saint Assignment

Dear Eighth Graders,

This Saint Assignment should be completed by **Wednesday, November 16, 2022**. The completion of the Saint Assignment is one of the requirements needed for Confirmation. This assignment allows you the opportunity to further research the Saint that you have chosen to take the name of, as you are confirmed.

Step 1: Saint Assignment

(the link in the box below will take you to the google form for this assignment)

Think of the unconditional love that your parents have for each of you. At Baptism your parents chose Godparents for you ... people close who they also trusted would help them instill the Catholic faith in you, primarily through their good example. Now as you approach the Sacrament of Confirmation **YOU** have a choice to make ... you need to choose a saint who you feel is someone you would like to be a role model for your life, and as a reminder of that you take the name of that saint at Confirmation; the Bishop will call you by that name and anoint you with Holy Chrism as you are confirmed.

By now you have had time to think about your choice, as you must declare your name and explain why you have made that choice.

For your assignment this week you need to complete and submit the Saint Assignment for Confirmation found on the Saint Joseph Religious Education website under the Sacrament of Confirmation section or by clicking on the link below:

Read through the questions and gather your thoughts into concise, personal determinations to support your choice. And in the process ask the Holy Spirit to help **you** find the right words to have confidence in making your faith come alive.

Thank you for completing this assignment. Have a blessed week!
