SAINT'S PAPER: Confirmation Requirement
DUE: October 2017

Each candidate is required to write an essay on the saint whose name they have chosen for Confirmation.

Remember in a saint the richness of God's goodness is reflected.

- Their light in this world comes from God and through their works we better see and know God. Through them we see God made visible.
- To invite God into my life is to let myself become a child of God and even a saint.

The essay must include:

1. Why you choose this saint?
2. What are your saint's accomplishments?
3. What are the outstanding characteristics that impressed you?
4. Ways you would like to model yourself on this saint both now and in the future?
5. What you learned about your faith researching the saint?

The report should be typed, double-spaced. It must provide a bibliography of all sources. Do not rely on only one source. **Reminder: Avoid plagiarism by citing sources properly.**

Artistic illustrations, photographs, or a symbol for your saint could add color and depth, if you choose.
