

Our incredibly talented Youth Ministry members have set up wish lists for all the organizations that we collect gifts for. You can purchase the gifts and they will be shipped directly to the organization you choose. Participation in this project has always been a wonderful way to spread the joy of the Christmas season with the many families in our neighboring communities who need our love, support, and prayers.

Please click on one of the following organizations to open a link to its Amazon wish list or purchase a gift and send it directly to the charity.

The Rose F. Kennedy Children's Evaluation and Rehabilitation Center is an organization dedicated to serving children and adults with developmental disabilities. You'll notice that many of the items on this list are sensory toys, and other games designed to help children's development. The Rose F Kennedy Center depends on our donations for these tools to help their young kids. You can support RFKRC by donating gifts from their Amazon wish list:
